

# Worldwide Sodium Channel Seminars

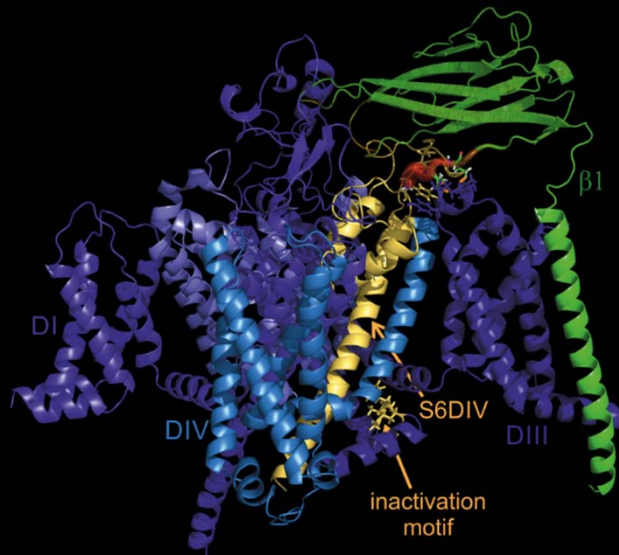

Edition 2021-2022 - Start on Sept. 28, 2021.

Join us for a series of world-class online seminars on voltage-gated sodium channels.

Visit <https://SodiumChannelSeminars.org/> for program and login information.

Meet in the Nav botanical garden at **Gather.Town** 20min before and anytime after the seminar for personal discussions.

Inaugural lecture:

**Prof. Nieng Yan (Princeton University)**

**"Close a voltage-gated sodium channel by a door wedge"**

September 28<sup>th</sup> 2021 at noon (EDT/EST), 6pm (CEST/CET)  
on zoom

We are looking forward to seeing you there!

Hugues Abriel (Bern, CH) and Angelika Lampert (Aachen, Germany)
