Associate Professor (C2)	11/1999 to 05/2000, Clinic of Operative and Preventive Dentistry & Periodontology in collaboration with the Institute of Medical Microbiology in Aachen.
Visiting Professor	06/2000 to 08/2002 at the R.M. Alden Research Lab., Santa Monica-UCLA Medical Centre, USA
Professor (C3)	Since 12/2002, Professor for Oral Microbiology and Immunology, University Hospital Aachen

Major Grants	Investigator in national wide collaborative projects “Odontogenic Infections“ 1995-2000, “Development of Biofilm Inhibitors using a Systembiology Approach” 2009-2012, “e:biofilm” 2014-2017 funded by the German Ministry of Research (BMBF) and Bioactive Nanocoat 2014-2015 funded by the ERS-RWTH and the Deutsche Forschungsgemeinschaft (DFG).
Start Up	September 1998, founder and co-owner of LCL Biokey GmbH, diagnostic and consultation in Oral Infectious Diseases and Microbial Disorders, sold in 2021 but advisor to this day.
Memberships	Deutscher Hochschulverband (DHV), Vereinigung für Allgemeine und Angewandte Mikrobiologie (VAAM), Deutsche Gesellschaft für Hygiene und Mikrobiologie (DGHM) and Federation of Europ. Microbiological Societies (FEMS), Deutsche Gesellschaft für Parodontologie (DGParo) and European Federation of Periodontology (EFP), Anaerobe Society of the Americas (ASA), Freunde und Förderer der RWTH Aachen (proRWTH)
Reviewer & Board	Organization: EU, GIF, Wellcome Trust, Steinbeis-Transferzentrum TIB, Humboldt-Foundation, DFG and for 22 journals; editorial board member of <i>Journal of Oral Microbiology</i> , <i>Anaerobe</i> (Associate Editor “Oral Anaerobes”)
Stays abroad	1995: Eastman Dental Institute, Department of Microbiology, London, UK, 2000-2002: R.M. Alden Research Lab., Santa Monica-UCLA Medical Centre, USA
Publications	About 170: originals, book chapters, patents About 240 presentations on conferences – list available
Teaching	Since 1999: Venia Legendi “Medical and Oral Microbiology” , Since 2002: Lecturer/Examiner in a) “ Medizinische Mikrobiologie ”, under-graduates, mainly Dentistry & Biology), b) “ Hygiene, Mikrobiologie (Virologie) und Gesundheitsfürsorge ”, under-graduates, Dentistry 2005-2012: Lecturer Karl-Häupl Institut (ZÄ-Kammer Nordrhein), Parodontologie: Ursachen, Diagnostik, antimikrobielle Therapie , post-graduates, Dentistry. Since 2021: Lecturer/Examiner RWTH International Academy, M.Sc. Periodontology , post-graduates Dentistry. Since 2023: Lecturer in “ QB Wissenschaftliches Arbeiten ”, under-graduates, Dentistry

Since 2024: Commission member of IMPP (Institut für medizinische und pharmazeutische Prüfungsfragen).

Prizes

Oral-B-goldprize 2018 (DGKiZ Kinderzahnheilkunde)
Oral-B-silverprize 2017 (DGKiZ Kinderzahnheilkunde)
Walkhoff-prize 2016 (DG Zahnerhaltung)
Outstanding Reviewer 2014 (Anaerobe Society of the Americas, Elsevier)
Poster prize 2013 (DG Hygiene und Mikrobiologie)
NUK prize 1997/98 (Entrepreneurship)

GCP-certificates

AMG/MPG basic and AMG advanced courses 10-2019

March, 13th. 2024

Georg Conrads
