GLOBAL WALK AGAINST PAIN

Participation in the GLOBAL WALK AGAINST PAIN is voluntary.

I acknowledge that participation in a walking event in a public environment involves typical risks. These include, in particular, falls, injuries, weather-related influences, and uneven ground or other hazards on the routes used.

I confirm that I am physically fit to participate in this event. I undertake to adjust my participation responsibly according to my individual level of fitness and endurance. If in doubt, I have sought medical advice prior to participation.

During the event, I will act considerately towards other participants and comply with all applicable traffic laws and rules of conduct.

Liability

The liability of the organizer, their legal representatives, and their agents or assistants is excluded, except in cases of damages:

- arising from injury to life, body, or health, or
- resulting from intentional or grossly negligent conduct.

In the event of a slightly negligent breach of essential obligations (cardinal duties), liability shall be limited to the foreseeable damage typical for this type of event.

In all other respects, liability for ordinary negligence is excluded to the extent permitted by applicable law.

The above limitations of liability also apply in favor of persons involved in organizing the event (e.g., volunteers).

I have read and understood the above information and agree to the terms of participation.
